More details will come in a confirmation letter to the email you listed (or regular mail if email is not listed).

Please be aware **liability issues** require FLUMC to make the following restrictions: NO PETS, no alcohol and no non-prescription drugs on the campgrounds. Canoes and paddleboards are available, but must remain in the bay. Children and youth need parental supervision in the boats. Adult controlled canoes may leave the bay, if a Dean has been notified before such a trip. This includes campers using their own watercraft. Life jackets are always required when boating, and the camp has a good selection.

*Please note: If a camper's dietary needs require the preparation of special meals (vegan, vegetarian, or gluten-free) there is an additional \$5 per day charge to cover the camp's cost of the food. If the camper can manage the dietary restrictions on his/her own, or will bring their own food for us to prepare, this is not required. Questions? Contact camp manager Jerran at [manager@flatheadcamp.org](mailto:manager@flatheadcamp.org) or 406-844-3483.*

Cancellation and Refund Policy: Registrations that are cancelled can be transferred to another camper at any time without any fees. Cancellations up to 4 days prior to camp opening will be refunded the amount paid minus a \$25 processing fee. Cancellations less than 4 days prior to camp opening are not eligible for a refund but can be transferred to another camper.
